2. Outreach Report—Unit Director, Ben Watson

Director Watson stated he conducted a requested training session with Nebraska Workers' Compensation judges. He learned that Workers' Compensation judges can order an employer to pay for accommodations for recipient's housing modifications.

Director Watson shared the Nebraska Department of Labor reached out to the agency for copies of our statutes and rules and regulations for outreach.

Director Watson announced the NEOC would have a table at the 2025 Lincoln Commission on Human Rights conference that will be held on May 8-9, 2025. He encouraged commissioners to attend.

Director Watson disclosed he is still setting up training for the Scottsbluff, Nebraska area for housing providers. The coordinator has not yet set a date, but the conference will now be virtual.

Director Watson discussed reviewing the data from the annual reports to analyze opportunities for targeted outreach.

3. Director's Report – Executive Director, Paula Gardner

Director Gardner introduced Ryan Yang, who is with State Budget Office. Mr. Yang is assigned to the NEOC and wanted attend to learn more about the agency's operations.

Director Gardner reported she and Cathy Fedor had their hearing with the legislative Appropriations Committee on March 6, 2025. The hearing went well. One Senator remarked positively about the detailed budget information shared with Senators. Director Gardner had the opportunity to explain how the agency's federal funds work, noting that current appropriation of 40% federal funds and 60% general funds is not sustainable moving forward and that based on federal receipts, 30% federal funds and 70% state funds is the more appropriate ratio. She also shared information with the Senators from the Annual Report, including monies returned to Nebraskans through settlements, number of charges taken and resolved, as well as contacts to the agency. Director Gardner indicated to the Senators that while the agency should be able to mostly manage the reduced funding for the next biennium, the agency was requesting a nominal increase of around \$9000 in year one and \$11,000 in year two to cover insurance costs that were unknown when the budget request was made.

Director Gardner announced the agency had a meeting with the EEOC and it was expected that the EEOC contract would be received. There are current no outstanding HUD funds coming to the agency. HUD did initiate the PAR (Performance Assessment Review) for 2023-2025, which was about five months earlier than past reviews. Director

Gardner said at this time they are operating as if there have been no changes to the contracts with the federal agencies.

4. Legislature --

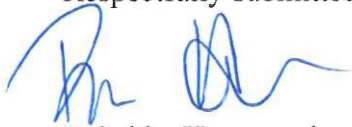

Director Gardner testified in a neutral capacity on LB 361 (adding filing a Workers' Compensation claim as a protected activity under FEPA). As this is not a priority bill it is unlikely this will progress much past committee.

Director Gardner did not testify on LB 694 (adding Veteran's and Military status as a protected class to the statutes). The bill that was heard prior to this one had a significant number of individuals testifying, and due to having submitted a fiscal note already explaining the agency's position on the bill's impact, it did not seem necessary to testify given the lateness of the hearing.

XV. ADJOURNMENT

Commissioner Meyer declared the March 21, 2025; Commission meeting ended at 10:53 a.m.

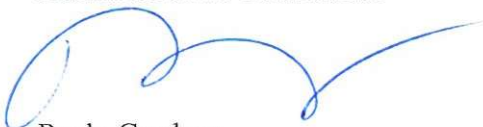

Respectfully submitted,
